VA FUNDING FEE TABLE

Applies unless Veteran is Exempt

Purchase Transactions

The VA funding fee is calculated on the veteran's portion of the loan. Reduced funding fee rates apply to loans made to purchase a dwelling with a down payment of five percent or more of the purchase price. If a reduced funding fee percentage is required as a result of a down payment, the veteran benefits from this reduction as the funding fee will be calculated on his/her portion of the loan. Down payment must be made in liquid funds. Borrowed funds are not an acceptable down payment to reduce the funding fee.

Type of Veteran	Down Payment ¹	Percentage For First Time Use	Percentage For Subsequent Use ²
Active Duty Veteran	Less than 5%	2.30%	3.60%
	5% or more (up to 10%)	1.65%	1.65%

Disabled Veteran (Service-connected disability)	N/A	0.00%	0.00%

1. Does not include down payment from gift of equity or equity earned from lease-to-purchase transaction
